

Florida Section
AIR & WASTE MANAGEMENT
ASSOCIATION

Air Working Group Wednesday

New!

The Air Working Group is a new open forum for the AWMA Florida Section. Join us every quarter to meet with local experts on key issues, technical developments and rulemaking.

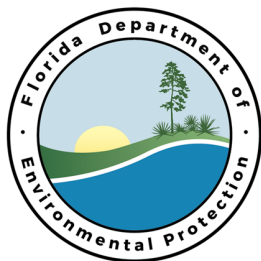

The AOR deadline is right around the corner! Do you have questions on the updated regulation? Having trouble navigating the EAOR?

Please join us for the 2018 1st Quarter Air Working Group Discussion:

Navigating the AOR

Open Forum hosted by FDEP
Special Guest: Dianne Spingler, Emissions
Inventory
Wednesday, March 21st, 11AM – 12PM

No registration required. Webinar access information will be posted on <http://flawma.org/events/webinars/> and emailed the day before the event.

If you have suggested topics for a webinar please contact Kaitlyn Tingum at Kaitlyn.Tingum@fpl.com
