

**FLORIDA SECTION A&WMA
OUTSTANDING YOUNG PROFESSIONAL AWARD**

CRITERIA

I. This annual award is to be given by the Florida A&WMA Section Board of Directors to a Section member who has made a valuable contribution to A&WMA by serving in leadership positions and who are pursuing excellence in their careers in the environmental field.

II. Criteria:

- A. Must be 35 years old or younger (during year of nomination) and be employed in the environmental industry (must have already completed 1 college degree).
- B. International A&WMA member who is also a member of the Florida Section (NOT a student member).
- C. Provided leadership for A&WMA at the local (Section, Chapter) level and/or at the International (Association) level.
- D. Actively pursuing excellence in their environmental careers.
- E. Length of participation in the A&WMA organization as an international member shall be at least three (3) years.

III. Nominations:

Nominations shall be submitted in writing using the attached nominations form by any associate or international member of the Florida Section to the Young Professional (YP) Awards Committee. The nominations must be received by October 5 prior to the Section Annual Conference and Meeting.

IV. Selection:

Selection of the award recipient shall be made by majority vote of YP Awards Committee. Such meeting and vote shall occur prior to the Annual Meeting.

V. Presentation:

The Section Chair, or other Board representative designated by the Chair, shall announce the award recipient at the Annual Meeting, and present a plaque in recognition of the young professional's outstanding contribution to the Section.
