Working Group Wednesday

RICE engines are integral part of industry and the regulations are complex. Join us for the 2018 3rd Quarter Air Working Group Discussion to hear from the experts!

History of RICE Rules: Guide to Compliance

Open Forum hosted by FDEP
Special Guest: Jonathan Holtom

Wednesday, September 19th, 11AM – 12PM

No registration required. Webinar access information will be posted at <http://flawma.org/events/webinars/> and emailed the day before the event.

*Please submit your questions by September 18th to
Kaitlyn.Tingum@fpl.com*

If you have suggested topics for a webinar please contact Kaitlyn Tingum at Kaitlyn.Tingum@fpl.com
