

The Ron Gore
Environmental Scholarship Guidelines

2025

Awarded by the Coastal Plains Chapter of the AWMA

About Ron Gore:

Ron Gore, P.E., started his career at the Alabama Department of Environmental Management (ADEM) in 1974 and he became Chief of the Air Division in 1995. He was both a graduate of the University of Alabama (B.S) and the University of Florida (M.S.). Ron served the Coastal Plains Chapter of the AWMA by attending and presenting at the Joint Florida/Alabama Annual Technical Conferences since its inception for an incredible 35 years. He entertained and educated participants through his uniquely common-sense perspectives on air emissions permitting, regulations, and compliance. He was truly dedicated to his work, his community, the conference, and educating us all. This scholarship program is dedicated to his exemplary service.
