Adapt

An aerial photograph of a large crowd of people in a public square. The people are connected by a network of thin, grey lines that form a complex web across the entire scene. The lines connect individuals and small groups, creating a dense, interconnected pattern. The people are dressed in various casual clothing, and the overall scene suggests a large-scale social gathering or event. The word "Network" is superimposed in the center of the image, reinforcing the theme of connectivity.
